Blade & Edge FSC and the Figure Skating Club of Omaha have been invited once again to perform immediately following the lighting of the Gene Leahy Mall in downtown Omaha. We would like to extend this invitation to the Premier Figure Skating Club and their Learn to Skate Classes. This is a great opportunity to show the city of Omaha just how many people are involved in Figure Skating! Skaters who are interested in participating must be a Home or Associate member of Blade & Edge, FSCO or Premier; or be enrolled in one of the Learn to Skate Programs.

The fees to participate in this year's show are as follows:

Basic Skills, Junior Club, Pre-Preliminary, Preliminary and Adults will participate in one group number and the finale. The fee is \$60.00. This fee includes both participation and costume fee.

Pre-Juvenile – Senior level skaters will participate in two group number and the finale. The fee is \$75.00. This fee includes both participation and costume fee.

Information will be handed out to all skaters with show details of costumes, parking, sweatshirts and videos, etc.

The success of this year's production relies on volunteers from the skater's family. Please mark the area(s) you would like to volunteer for. If you choose not to volunteer your time, a buy out of \$25.00 is required per skater.
