

It's time for Scrapbook pages!

As has become our tradition for the club banquet we will be asking everyone to put together their own scrapbook page. So, get your pictures, your results sheets, your programs and any other favorite moments from skating together.

Mrs. Miller and Mrs. Hollingsworth will be giving “classes” for everyone to come and bring their memorabilia. They will have the pages for you to pick up, as well as ideas and the necessary tools and dressings to make it all happen. If you don't want to stay and work on your page with them you may take it home and bring it back to another class or to the banquet. We will be making another scrapbook for the coaches to show off and the club to use during the various events we hold for the public.

The class dates are:

March 2

March 9

March 16

If you would like to make a page for each of the last two years you may.
